CHRISTMAS JOY

Christmas is an incredibly special time of year, but for many families, it can bring the heartache of being unable to provide gifts for their loved ones. First Presbyterian Church and the Southeast Health Infusion/PICC Services Unit wanted to step into the gap and love on those families! Thanks to their generosity, it was truly a very merry Christmas for many families!

We are so grateful to these generous groups for their contributions and to everyone who donated gifts this Christmas season. Your kindness helped ease the burden for many parents and brought immense joy to some very deserving kids. You truly made a difference —and nothing beats that!
