

## COMMUNITY UPDATE

On February 27, Alabama health departments discontinued free pregnancy testing for uninsured women seeking Medicaid, leading more women to seek alternative resources. Since this decision, we've seen a significant increase in the number of tests we administer daily. We see this as a wonderful opportunity to expose more new moms (and new dads) to our services! We anticipate the demand for supplies will continue to increase, and it is your support that will help us cover the additional costs for our free program.

Your generosity can make a real difference—help us restock and meet this opportunity and continue to provide the hope of Christ each day!

## FAVORITE THING ABOUT WHG:

IT IS SO HARD TO NAME ONE THING THAT IS MY FAVORITE ABOUT WIREGRASS HOPE, BUT I THINK IT IS THE PEOPLE—THE PEOPLE WHO WORK AND SERVE HERE, THE PEOPLE WE SERVE. PAUL TALKS A LOT ABOUT WHAT LOVE IS AND IS NOT IN ONE OF HIS LETTERS TO THE CORINTHIANS. BEING AT WIREGRASS HOPE, I SEE THAT LOVE LIVED OUT, AND I FEEL HUMBLLED BY IT.

## RESPONSIBILITIES:

MEETS WITH CLIENTS AND ASSIST WITH VOLUNTEER COORDINATION. I ALSO HELP BUILD RELATIONSHIPS WITH LOCAL RESOURCES THAT OUR CLIENTS MIGHT NEED.
