

SHARING HOPE | PROMOTING LIFE | CARING FOR FAMILIES

## LETTER FROM THE DIRECTOR

### A MESSAGE OF HOPE

As we celebrate Easter, we are all reminded of the transformative power of HOPE found in the resurrection story. In Matthew 28:6, the angel proclaims to the women at the tomb, "He is not here; He has risen, just as He said." This powerful declaration brings the promise of new life, redemption, and unshakable hope through Jesus Christ. It is this same hope that lies at the heart of everything we do at Wiregrass Hope Group.

Every day, we witness lives being renewed and strengthened through the support and love extended to the women and families we serve. Just as the resurrection brought light to a dark world, we strive to bring hope to those facing unexpected challenges, offering them a path forward and a reminder that they are never alone.

This Easter, may we be inspired to continue being the hands and feet of Christ, sharing His love and hope with those who need it most. Let us hold fast to the promise of new beginnings, both in the lives we touch and in the work we do together. Thank you for partnering with us to make hope a reality in our community. **Happy Easter!**

*Susan Anderson*

*Kymani & baby boy Hayden*

***This little one is a reminder of the power of hope, love, and support. His mom and dad were abortion minded but found the courage to choose life. After coming to WHG and building a relationship with a mentor, the couple married in November, and baby boy Knox arrived on March 14th.***

***Thank you for helping us support and encourage life.***

# A Village That Cares

## NEW POSTPARTUM SUPPORT GROUP

We are excited to announce the launch of a new support group for postpartum depression (PPD), starting on April 24th. This group will provide a safe and supportive space for new mothers navigating postpartum mental health challenges. Led by Jessica Cotton, LPC, Kristen Kite, and Shelby Weston, who oversee After Baby, this group is designed to meet the needs of the 62% of our After Baby clients who have been assessed with a high probability of suffering from postpartum depression (PPD). Treating PPD is crucial for a mother's well-being and preventing child abuse and neglect, as untreated PPD can lead to increased stress, emotional distress, and difficulty bonding, negatively impacting both mother and child.

In addition to screening our After Baby moms for PPD and offering individual counseling, our hope is that this group will offer these women the chance to be part of a healthy community, learn together, and form connections outside of WHG. Serving these women also means serving their families as they overcome PPD and develop into better versions of themselves.

### THANK YOU EAGLE EYE OUTFITTERS

We are honored to be one of six recipients of Eagle Eye Outfitter's Change for Good campaign! Thanks to the generosity of EEO customers, a total of \$16,249.45 was contributed through purchases, which Eagle Eye matched—bringing the total impact to \$32,498.90! We received \$5,416.49, which will help us to keep our supplies stocked and to continue serving our clients.

### THANK YOU DOVE CHRISTIAN SUPPLY

Dove Christian Supply recently held a Galentine's Day shopping event, generously donating all ticket sale proceeds to Wiregrass Hope! We were grateful to receive a \$500 check from them. This generous contribution, along with their ongoing support in providing Jesus Storybook Bibles for every client who completes our Pregnancy Program, helps us continue sharing Christ with our clients!

**CHILDREN'S TRUST FUND (CTF) OF ALABAMA HAS PROVIDED WIREGRASS HOPE GROUP A GRANT TO HELP FUND OUR AFTER BABY PROGRAM. CTF IS WORKING TO REDUCE CHILDHOOD ABUSE AND NEGLECT. WITH OUR ONE-ON-ONE MENTORING, EDUCATION, AND SUPPORT FOR OUR NEW MOMS AND DADS, WIREGRASS HOPE GROUP IS BUILDING HAPPY, HEALTHY FAMILIES.**
