

SHARING HOPE | PROMOTING LIFE | CARING FOR FAMILIES

ABUNDANT LIFE

This year's banquet celebrated God's faithfulness and looked ahead with hope. Rooted in John 10:10, we champion abundant life—spiritually, emotionally, relationally, and physically—through the restoring and transforming power of the gospel.

Looking to 2026, we shared three areas of growth:

- Enlarging our Pregnancy Center
- Partnering with Love in Action's Samaritan's Clinic in Dothan
- Launching Wiregrass Hope's Counseling Center

Thank you for your support so that more lives are saved, families strengthened, and hearts transformed by Christ. Together, we can make John 10:10 a lived reality in our community.

May the joy of Christ's birth fill your heart this Christmas, and may His peace and abundant life bless you in the year ahead.

FEATURED CLIENT STORY

Phoenix and Joseph came to Wiregrass Hope when facing an unplanned pregnancy. "We were unmarried, Joseph was in the military, and I was scared. But we came to Wiregrass Hope and everything began to change." They joined the Parenting and Fatherhood programs where they learned how to prepare, grow, and love. Joseph and Phoenix are now married and actively involved in a local church. Though Joseph is currently deployed overseas, their marriage and family is stronger than ever. "Wiregrass hope didn't just prepare us for a baby. They helped us build a life."
