SHARING HOPE | PROMOTING LIFE | CARING FOR FAMILIES

A LETTER FROM THE EXECUTIVE DIRECTOR

As we enter this beautiful spring season, our hearts naturally turn toward Easter: a time when we remember the incredible sacrifice Christ made for us and the glorious hope we have because of His resurrection. In giving His life, Jesus met our deepest need: the need for redemption, restoration, and hope that never fades. His victory over the grave is the reason we can face each new day with confidence, knowing that hope is not just an idea, but a living promise.

At Wiregrass Hope, we see reflections of this hope every single day. We could tell story after story of God's faithfulness and how He provides the exact resources, people, and moments of encouragement we need, often right when we need them most! Whether it's a volunteer who shows up at the perfect time, a donor who gives just when a need arises, or a client whose life is touched in a deeply meaningful way, we are continually reminded that God's provision is always personal, timely, and purposeful. As we celebrate this season of renewal, may we all be encouraged by the truth that the same God who raised Jesus from the dead is still at work: bringing hope, transforming lives, and providing abundantly for His people.

With gratitude,

Susan Anderson

STORIES OF Hope

Each day, we have the privilege of sharing the hope we have in Christ with the clients who walk through our doors. From October 2025 through February 2026, we have had 323 opportunities to share the gospel, and we rejoice that nine individuals have professed faith in Christ through these conversations.

One of our mentors, Andrea, recently had the opportunity to talk with a client about the gospel and the gift of salvation. The client had expressed interest in giving her life to Christ, and after continuing the conversation, she prayed that evening to surrender her life to Him. We praise God for this new life in Christ!

While we are grateful for the opportunity to be present and share the gospel, we know that only God can draw a soul to Himself. This was a beautiful reminder that when someone is ready to surrender to Jesus, they may simply need the right opportunity to respond.

Would you join us in praying for this client and for the many others who walk through our doors in need of the hope found in Christ?

CONTINUING A LEGACY OF HOPE AND HEALING

I'm absolutely thrilled to be serving as the Post-Abortive Support Specialist in addition to the After Baby Assistant Director! Stepping into this role was no small thing, but a total God thing, as I was mentored by Jeanie Damren, who served faithfully in this ministry for over 30 years. What a legacy she leaves behind! Having gone through post-abortive recovery myself, I'm now privileged to walk alongside women who have experienced the trauma of abortion, in hopes that they can receive the healing Jesus desires for them to have, often healing they don't even know they need. Abortion is a secret sin that often gets buried but can fester into anger, bitterness, loneliness, withdrawal, and anxiety.

"But He heals the brokenhearted and bandages their wounds." — Psalms 147:3

The God who made us is the only one who can truly heal us. It is also my privilege to assist in our wonderful After Baby program, which promotes the abundant life. Through this program, we get to love on and support the families God sends our way. Walking in God's purpose is an amazing blessing!

2026 MILA WALK

This month, Abby and JLeigh attended the Pregnancy & Infant Loss Memorial Walk hosted by Southeast Health. Pregnancy and infant loss touch many families. An estimated 1 in 4 pregnancies ends in miscarriage, yet the grief is often carried quietly. It was a meaningful opportunity to stand alongside parents in our community, remember the precious lives lost, and offer compassion to those walking through deep sorrow. As a ministry, we are honored to come alongside families with support, encouragement, and the hope found in Christ, reminding them they do not have to walk this journey alone.

SO FAR THIS YEAR

2,828 OVERALL CLIENT VISITS

383 PREGNANCY TESTS

301 ULTRASOUNDS
