A LETTER FROM THE EXECUTIVE DIRECTOR

2026 Initiative Update: Three Major Milestones Within Reach

2026 is shaping up to be a landmark year for Wiregrass Hope. At our Fall Banquet, we shared three bold initiatives designed to expand our reach and strengthen the care we provide to families across the Wiregrass. Today, we are thrilled to report that each initiative is not only underway, but they are progressing faster and more beautifully than we imagined.

1. New Counseling Center

In May, we celebrated a major milestone with the ribbon cutting of our new counseling facility at **105 Hidden Glen Way**. This warm, welcoming space now houses 4 paid staff counselors and 1 paid administrator, 2 volunteer counselors, and serves 60+ clients each week. This expansion has already increased our capacity to walk alongside individuals and families seeking hope, healing, and direction.

2. Expanded Pregnancy Center

With counseling services moved to their new home, we were able to reimagine and redesign our original location at **171 Westgate Parkway**. The transformation includes two fully functional ultrasound rooms, more Fatherhood Program space, and additional client meeting rooms. These improvements allow us to serve more moms, dads, and families with Gospel-centered excellence, compassion, and privacy.

3. Satellite Clinic Launch

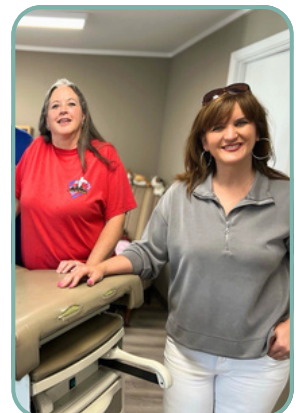

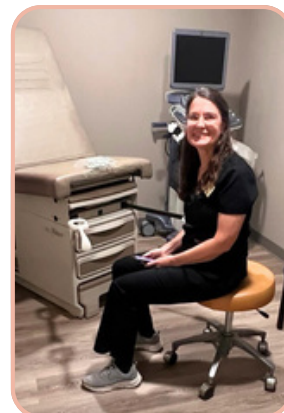

We are nearing the launch of our newest outreach effort, a satellite location on the campus of **Love in Action's Samaritan Clinic**. Thanks to a generous donation from **Dr. Heim and Women's Medical Center of Enterprise**, the space is now fully outfitted with a gently used ultrasound machine, exam tables, a blood draw chair, and office furnishings. A hardworking team of WIRED students spent the end of June cleaning, assembling, and preparing the space. We anticipate **opening mid-July**, with pregnancy, ultrasound, and STI testing available directly on-site.

Looking Ahead

None of these milestones would be possible without the faithful support and prayers of our community. For **43 years**, God has guided and sustained this ministry, and we are humbled to continue serving families throughout the Wiregrass.

Thank you for standing with us. The best is yet to come!

WALK FOR LIFE RECAP

We're so thankful for each of our amazing sponsors and for everyone who joined us for our Walk for Life this year!
With your help, we were able to raise a total of \$19,930!

STORIES OF Hope

Meet baby Khylan! This sweet little man was born just last month to one of our clients. When this birth mom first came to WHC she was considering an abortion, but after talking with our team and seeing her baby on an ultrasound she changed her mind. She completed all our classes in the pregnancy program, accepted Christ, and graduated from high school! We are so proud of this mom and grateful to the Lord for the work we get to see Him doing through the ministry of Wiregrass Hope each and every day.
